Voice to Text		✓	✓
Unlimited Teathering (10GB at LTE speed)		✓	✓
No-cost DIGITS Number with Each Line			✓

If network is congested, top 3% of data users (>32GB/mo.) on all T-Mobile Plans may notice reduced speeds until next bill cycle due to prioritization. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on a device.

ILimited time offer; subject to change. Participating locations. Qualifying Business account and individual liable plan required. May not be combined with some offers or discounts. Up to 12 lines. T-Mobile ONE General Terms: Credit approval, deposit, and \$25 SIM starter kit or, in stores & on customer service calls, \$20 upgrade support charge may be required. Capable device required for some features. U.S. roaming and on-network data allotments differ: includes 200MB roaming. Unlimited talk & text features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. T-Mobile ONE not available for hotspots and some other data-first devices. Video streaming: Capable device required to experience HD. Turn on daily. Video streams in native resolution; some content providers may not stream their services in HD. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. Tethering: Up to 10GB 4G LTE tethering with 3G speeds after. Service may be terminated or restricted for excessive roaming. For the small fraction of customers using over 50GB per month, primary data usage must be on smartphone or tablet. Smartphone and tablet usage is prioritized over Mobile Hotspot Service (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. AutoPay Pricing for lines 1-8. Without AutoPay, \$5 more/line. May not be reflected on 1st bill. Int'l Service: Additional charges apply in excluded destinations e.g. Canada & Mexico; see www.t-mobile.com for included destinations (subject to change at T-Mobile's discretion). Taxes additional; usage taxed in some countries. Calls from Simple Global countries over Wi-Fi are \$.20/min (no charge for Wi-Fi calls to US, Mexico and Canada). Coverage not available in some areas; we are not responsible for our partners' networks. Standard speeds approx. 256 Kbps. Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network. Device must register on our U.S. network before international use. Service may be terminated or restricted for excessive roaming. Gogo: Free Wi-Fi & texting on GoGo-equipped flights of U.S.-based airlines requires a capable smartphone. Wi-Fi Calling functionality, valid e911 address, & 1 prior Wi-Fi call w/ current SIM card required for SMS/MMS/VVM. DIGITS: Compatible device & qualifying service required. App download may be required. Without T-Mobile ONE Plus, free DIGITS Talk & Text line may increase up to \$10/mo. (w/ AutoPay) after 30 days unless you call 611 to cancel. Up to 5 numbers per device & up to 5 devices per number. DIGITS supports 911 but calls & texts to 911 work best from your landline or primary cell phone/number & without using Wi-Fi; always provide your actual location & callback number to 911 operator; callback may be answered by others sharing your DIGITS line. See DIGITS Terms of Use for additional 911 information. Coverage not available in some areas. Network Management: Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for details. See Terms and Conditions (including arbitration provision) at www.T-Mobile.com for additional information.
